

An aerial photograph of a house with a brown tiled roof and a lush garden. The house has a white wall on the right side and a dark brown wall on the left. The garden is filled with various plants, including yellow flowers, pink flowers, and green foliage. A winding path leads through the garden. The text "Vielfalt für kleine Gärten" is overlaid in yellow cursive font on the roof.

START Februar 2019

A photograph of a garden path. The path is made of light-colored gravel and runs through a garden. On either side of the path, there are several potted plants in black and blue pots. Some plants are in the ground, while others are in pots. In the background, there is a trellis structure with a large terracotta pot on top. To the right, there is a dark blue building with a green plastic crate leaning against it. The overall scene is a well-maintained garden area.

Informational sign with text and images of birds.

A photograph of four guinea pigs in a wooden enclosure. The enclosure is made of light-colored wood and has a wire mesh back. The guinea pigs are sitting on a bed of brown wood shavings and are eating fresh green leafy vegetables. The guinea pig on the far left is brown and white. The one next to it is white with brown patches. The one in the middle is white with a black patch on its back. The one on the far right is white with a large black patch on its back. The background shows some green plants and a grey archway.
